Speaker-elect Rusty Bowers Releases Statement on Arrest of Representative David Cook

STATE CAPITOL, PHOENIX – House Speaker-elect Rusty Bowers (R-25) today released the following statement regarding the arrest of Representative David Cook (R-8):

“The Arizona Department of Public Safety informed me today that Representative David Cook was arrested last night for driving under the influence. I’m disappointed and saddened by Representative Cook for failing to meet the standard expected of all Arizonans, much less an elected official. When I’ve had an opportunity to learn all the facts and speak with Representative Cook and my colleagues about it, I will announce action the House will take against Representative Cook.”
